## PROFESSIONAL SUMMARY

**Web Developer** with **3.5 years of hands-on experience** in **React.js**, **JavaScript (ES6+)**, **HTML5**, **CSS3**, and modern frontend frameworks. Skilled in **responsive UI design**, **API integration**, **performance optimization**, and **secure form handling**. Proficient in collaborating with **cross-functional teams**, delivering **pixel-perfect**, **scalable**, and **high-performance web applications** following **Agile practices**.

## EDUCATION

**Bachelor of Engineering (Computer Science)** *2019*
*Dhanalakshmi Srinivasan College of Engineering and Technology, Mamallapuram*

**Higher Secondary Certificate (HSC)** *2014*
*Dr.R.Arulappa Higher Secondary School, Neerpair*

## TECHNICAL SKILLS

**Frontend**: React.js, Redux, Context API, JavaScript (ES6+), TypeScript, HTML5, CSS3, jQuery, Tailwind CSS, Bootstrap
**Backend** : Node.js, Express.js, RESTful APIs, JSON
**Tools and Version Control**:Git, GitHub, VS Code, Postman
**CMS**:Drupal
**Others**:API Integration, Performance Optimization, Cross-Browser Compatibility, Responsive Design, Agile Development
**Soft Skills**: Problem Solving, Self-learning, Team Work, Adaptability

## PROFESSIONAL EXPERIENCE

**•Xerago** *Jan 2022 – Jul 2025*
***Associate Developer*** Chennai, TN
**Projects: Ujjivan Banking Website**, **Citi Banking Website**
**Tech Stack:** React.js, Redux, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, RESTful APIs, Git

- Built and maintained responsive **Single Page Applications (SPAs)** using **React.js**, **Redux**, and **Tailwind CSS**, ensuring scalability and high performance.
- Integrated **RESTful APIs** for real-time data flow and implemented **React Router** for seamless client-side navigation.
- Delivered **15+ fully responsive and accessible banking web pages** with complete cross-browser and device compatibility.
- Created **secure, user-friendly form pages** to enhance customer onboarding and overall user experience.
- Worked on Citi Banking Website services, building static pages with **HTML, CSS, and JavaScript**.
- Optimized performance using **React Hooks**, improving component efficiency and user engagement.
- Conducted **cross-browser and UI/UX testing** via **LambdaTest** to ensure consistent design and functionality.
- Collaborated with **designers and backend developers** to ensure timely, high-quality deliverables.
- Managed **version control and feature branches** using **Git** and **GitHub** within **Agile workflows**.

**•Prismy Data Softlabs** *Dec 2018 – Dec 2021*
***Research Analyst*** Chennai, TN

- Executed **LinkedIn lead generation** by automating and validating contact data for **B2B marketing and sales projects**.
- Managed **e-commerce product data**, including uploading product details, pricing, and optimized descriptions with images across online platforms.
- Performed **web scraping** using **XPath** and browser developer tools to efficiently extract structured data.
